

为什么 87786 热指数计不再记录？

如果用户想重新开始另一个记录，他们必须先下载数据，然后再重新开始记录。

这是防止记录的数据在没有下载的情况下被覆盖的设计。

以下操作视频供您进一步参考：

Question

Why 87786 heat stress meter does not log anymore?

Reply:

If user want to start another logging again, they will have to download the data first before re-start the logging.

It's the design to prevent the recorded data to be overwritten without download.

Here is an operation video for your further reference:
